

I Am A Child - A Treehouse Collaboration

I am a Dinosaur!
Listen to my roar
As I look for
Prehistoric Pizza
With a piece-a
Mushroom!
I don't have much room
For more because
I am FULL!

Full of colours, every kind
I look for a rainbow outside and find
Hello Yellow and Green Grass
And Blue-ish clouds floating past!

I am Wednesday. And Garfield. And Puss-In-Boots.
I am a train driver, listen to the toot.
I am a small monkey-gorilla and a gang of peacocks fanning our feathers
And running through the world together.

I am Strong. Amazing. Powerful. Noisy!
Sometimes, I am angry when my brother annoys me,
But I can jump and dance and linger in doorways.
I can walk sideways
Like a crab!

Now I will grab
Another pizza slice
Because it tastes so nice.

I will trace the lyrics and sing them too.
I am a child, and so are you.
