

**Newcastle City Learning**

## Free Courses for Jobs

### **Level 3 Diploma for the Early Years Workforce (Early Years Educator)**

#### **Who is this for?**

Early Years Educators, and other job roles such as nursery nurse and childminders, are highly trained professionals who play a key role in ensuring that young children learn and develop well and are kept healthy and safe. They work in a range of settings including full day care, children's centres, preschools, reception classes and as childminders.

#### **What's the duration?**

The typical course duration is 18 months. During this time, you'll attend one college session per month, complete course work, be observed in the workplace and build a portfolio of evidence.

#### **What will be covered?**

- Planning and supervising activities
- Supporting the development of numeracy and language skills
- Safeguarding responsibilities
- Shaping a child's learning experiences
- Meeting the care needs of children
- Working in partnership with others
- Working with children with SEND needs

#### **English and maths**

If you don't already hold GCSEs at grade 4 or above, or Functional Skills qualifications at Level 2, we can support you to achieve them. We have a number of options available. Let us know if you'd like help with this.

#### **What's the cost?**

This course is completely free if you are aged 19 and over and do not currently hold a Level 3 qualification or if you earn less than £18,525 per year.

This qualification is certificated by **NCFE Cache**
